

Dear Parents,

If you have a child who is currently in grade 4 or older and you feel ready as a family to prepare with your child to receive the **Sacrament of First Holy Communion and First Reconciliation in 2023**, please indicate your interest by completing the enrolment form by downloading it from Our Lady of Fatima's website and returning it to acaciaridge@bne.catholic.net.au by **3rd February 2023**.

This year Our Lady of Fatima's children will celebrate their First Holy Communion on **Sunday 26th March at 11:00am**.

Here are some of the important dates to contemplate when you are considering enrolling in the programme:

- Children and their parents will be asked to attend an information session about this year's Sacramental programme on **Wednesday 8th February at 6:00pm**.
- Children will be asked to attend all Sacramental lessons (one of these lessons will be the First Holy Communion Rehearsal).
- Children **must attend all** allocated sessions with an adult (parent/sponsor).

We are very excited about creating a dynamic and informative Sacramental Programme and believe it will be a programme that your children will enjoy as they deepen their understanding of this important Sacrament in the context of our parish family.

Many thanks and we look forward to preparing your family and child for the Sacrament of First Holy Communion and First Reconciliation.

Sincerely,

Fr. Lam Vu
Parish Administrator.
